

COMMERCIAL-GRADE TONER CARTRIDGE RECYCLING PROGRAM FOR OUR PREFERRED CUSTOMERS

This is a program for Canon commercial-grade copiers. Canon All-In-One cartridges remain part of the Canon Clean Earth Campaign and should continue to be returned through that program: www.usa.canon.com/cleanearth/recycle
Commercial-grade toner cartridges can be recycled in your normal community recycling program and are coded with a recycling number. The slight toner residue that remains in the empty cartridge is safe to recycle. If you cannot do this or would like for AlphaCopy to recycle your cartridges for you, please do the following:

AlphaCopy Maintenance Agreement Customers:

Once you accumulate 15 empty toner cartridges, please call our office for a pickup. We will send a driver with a special receptacle for pickup, and will return the cartridges to the Canon Toner Container Collection Center for you. If you don't want to wait to accumulate 15 cartridges, they can be dropped off or sent to our office located at 30427 W. Eight Mile Rd., Livonia, Michigan 48152-1701. Please see our web site for directions and a map.

AlphaCopy Non-Maintenance Agreement Customers:

Cartridges can be dropped off or sent to our office located at 30427 W. Eight Mile Rd., Livonia, MI 48152-1701. Please see our web site for directions and a map. *Please note that this program is for Canon branded cartridges only. Aftermarket or generic branded cartridges will not be accepted.*
